

Greetings to Abba House Friends & Partners

STOP MODERN DAY SLAVERY DAY - MARCH 14, 2018 - CHILDREN AT RISK NEEDS TO BE FREE TO CHOSE OPPORTUNITY'S. THEY NEED AN EDUCATION - ABBA HOUSE IS HERE IN THAILAND FOR THEM.

Thailand may be known as the “Land of Smiles” but an estimated 1 million teenagers suffer clinical depression, many of whom are going untreated, said the nation’s chief mental health official Boonruang Trairuangworawat on Friday.

Boonruang, said there is a need to address problems among Thai teens aged 10 to 19 and widen their access to mental health facilities, as depression has led to violence, suicide and street sex tourism. (Visa News)

Joyce: THAI STREET SEX WORKING YOUTH NEEDING PROTECTION CENTERS THAT OFFER AN EDUCATION THAT WILL QUALIFY YOUTH FOR EMPLOYMENT SOME DAY, A REAL NEED. Thailand has 70,000 destitute according to the 2017 Thai Gov't report. (This includes adults) Many of the Northern Chiang Mai public schools are full and no longer taking in new students. - Abba House has a 1-12th grade plan in place that will cost extra at first but in just a few years will start to show community interest and a financial profit. Eventually there is a profit to be made. We need your help to get started. Our goal is to become self-sufficient someday, needs Prayer.

2018 - Joyce - God has a Purpose for your pain, a Reason for your struggle, and a Reward for your Faithfulness. Trust Him and never give up, His healing touch is just right around the corner. The Holy Spirit will help you stand up and take over. Greater Things will you do than He has done for He left to be with our Father, building mansion's for us and will return to catch us up.

Please be aware of all the following legal ramifications that follow a teen Trafficked rescue, most do NOT have citizenship ID's making it unlawful to travel, work, hospital, etc. However we still manage to have God's favor in most matters but we must show that we are working with lawyers and travel miles away for documentation needed to one day legalize all our children living with us full time. Picture : Jabu has been with us for two years with him is his parents and sister w/husband their grass roof hut is behind us, it is built on a steep hill on the Thai side of the Burma border up North of us.

Chiang Mai, Thailand - The first steps in moving forward to starting up your own private Christian School k-12 is visiting around those who have gone before you and glean all you can for what to do and not do. Thai Government questions, education requirements, cost and staff/volunteer needs. A big thanks to Mr. Joel Executive Director with International School of Hope - School of Promise. God Bless All Your Efforts.

GOD BLESS AS WE SERVE THE KING OF GLORY TOGETHER, DAVID AND JOYCE MOORE
