

Greetings to Abba House Friends & Partners

THANK'S TO ALL OF OUR ABBA HOUSE FRIENDS AND PARTNERS FOR GIVING US THE OPPORTUNITY TO MINISTER TO ALL THAT IS SEEN BELOW - WE COULD NOT BE HERE OR PROVIDE FOR THESE THAI CHILDREN WITHOUT YOUR HELP. TO GOD BE THE GLORY.....AMEN.

Over ten years ago Exodus Cry ministries brought a media team over to learn from AHF and while up North in Chaing Rai they wanted to tour this same cave (Tham Luang) and yes I went in but when we saw a sign saying "safe up to here but go no further", we returned but these Thai youth pictured went two miles farther and got trapped. We must obey warning signs...We used this to teach our children here that they must obey the warning signs in the Bible to gain all the benefits of an abundant life in Jesus....Amen. A Big Thank to this former Thai Navy Seal (Sgt. Saman Kunan) who lost his life setting out extra air tanks in the cave. Only one of the boys knew English and could communicate with the British diver. He is the only Christian in the group, and he learned the language from missionaries. The rescuers

said they could smell the boys before they saw them, that is how close to death they came..PTL

Below: Youth team for 2018 Summer - ministering at the HIV Agape Home - this is our KCMO Group - pictures speak a thousand words. Amen

Chiang Mai Adult Men's Prison - a regular outreach of ours for over ten years, hundreds of salvation commitments and water baptisms as well, Bible hand outs and tracks. AH is no longer allowed to take pictures here due to the Coup de tat of four years ago but are very grateful that we are still allowed inside monthly. Thank You for your Prayers.

Some gathered together at our AH Church entrance to say farewell to the Kansas City YWAM team. We enjoyed your time of ministry with Abba House! - God Bless and Safe Travels

Pictured below is Muang Udinthani Provincial Police Station - notice five are women - We are very proud that one of these five was saved and water baptized here are Abba House close to ten years ago. Pray for her protection often (MiMi).

GOD BLESS AS WE SERVE THE KING OF GLORY TOGETHER, DAVID AND JOYCE MOORE
