

## Greetings to Abba House Friends & Partners

THANK'S TO ALL OF OUR ABBA HOUSE FRIENDS AND PARTNERS FOR GIVING US THE OPPORTUNITY TO MINISTER TO ALL THAT IS SEEN BELOW - WE COULD NOT BE HERE OR PROVIDE FOR THESE THAI CHILDREN WITHOUT YOUR HELP.

TO GOD BE THE GLORY.....AMEN.

Thank you for allowing most of the AH children to attend our local ZOO!

Abba House Foundation's monthly Bible teaching at Chiang Mai, Juvenal Detention Center. We started with playing games for a warm up - sang a couple of worship songs and shared the Word of God. After sharing we handed out Bibles and Gospel tracks. In previous weeks, several people accepted Christ and 8 boys wanted water baptism. This week we baptized those who accepted Christ from last week.

Thailand's new King Maha Vajiralongkorn Bodindradebayavarangkun:

Born July 28, 1952

Thailand has a strict, and strictly enforced, lèse majesté law. Criticism of the king, queen, crown prince, and more recently, former kings, members of the royal family, and even their pets has long been strictly prohibited, with large fines and prison sentences of up to 35 years being imposed.

Pictured below: Thai parents selling their underage children into the sex trade in Lomsak, We have always stated that Parents are Asia's largest Human Traffickers - these girls are the bread winners of the family, mom wants a new house and dad a new truck. They are not sure which brings the most money, child brides to the highest bidder or seven days a week in a big city brothel which they would be forced to share in the profits with a pimp.
