ABBA HOUSE THAILAND - DRUG REHAB FOR TEENS:

Water Baptism is an outward declaration of your decision to follow Jesus.

Jesus was baptized.

We are simply following His example in doing the same. It is a great next step to consider in your relationship with Him and a celebration of the new life Jesus offers. Also a part of the "Great Commission": Thanks Jo'ann Mansvel So. Africa, Angel Amonthip & Lv and Lita from Fiji - along with the AH staff = teen boys raised their hands and now confessing with their mouth's - Jesus is Lord. Thank you Partners
