

Greetings to Abba House Friends & Partners

Below; AH takes one of our visiting youth teams to a teen girl drug rehab - detention center, their past lives have all the ear markings of human trafficking, some are pregnant, some deliver their baby in captivity and some were just being abused in every way imaginable. The prison guards here have been told by AH that if any of the girls get released and have no one to pick them up to call us, we want to help. Thanks to you and yours we are able to meet the need.

There has been a surge in the number of homeless people leading to sex working in Bangkok. The number of homeless people in our capital city has risen by almost 10 per cent within a year – from 3,630 people in 2017 to 3,993 last year. Of these 2,424 were males while 1,569 were females. So is the case in Chiang Mai our city of one million. Source: Thai Visa

In 2011, Kanyaluck Preechprasit or กัญญาลักษณ์ ปรีชาประสิทธิ์ in Thai, came to Abba House from a small Ahka village in the Golden Triangle (the most dangerous area in northern Thailand). She was just ten years old and it was her first time away from home. She heard about Abba House from Christian Ahka people. At AH, she heard how God loved her and had plan for her life. She was baptized and in her high school years worked hard to earn good grades and give glory to her Heavenly Father. She graduated last year with honors and is attending Rajabhat University in Chiang Mai and is about to complete her freshman year as an English major with the goal of being an English teacher and to have her own business teaching English to Thai's in the future.

Abba House taught her to dream and through their ministry to the least, the last and lost has helped her and countless others like her to see those dreams realized. God Bless all our partners and friends for helping us along the way.

GOD BLESS AS WE SERVE THE KING OF GLORY T OGETHER, DAVID AND JOYCE MOORE
