Greetings to AHF Friends and Partners

"Vision is essential for survival. It is spawned by faith, sustained by hope, sparked by imagination, and strengthened by enthusiasm. It is greater than sight, deeper than a dream, broader than an idea. Vision encompasses vast vistas outside the realm of the predictable, the safe and expected. No wonder we perish without it." ~ Charles R. Swindoll

This is how we fight our battles - you may think that we're surrounded but we're surrounded by HIM...Amen ! Abba House handing out water baptism Certificates, a true treasure to keep and remind them of this decision day.

Woman held for forcing five-year-old daughter into prostitution

A 28-year-old woman, who had been arrested in Chachoengsao for allegedly selling her five-year-old daughter for sex, revealed on Tuesday that the 52-year-old customer who was allegedly caught in the act and was also arrested at the time, was the little girl's biological father.

After their arrest on Sunday evening in an isolated location in Tambon Nong Yao in Phanom Sarakham district, the woman told police that she had had a sexual relationship with Winai – who was an already-married man with a daughter – and became pregnant with a baby girl.

She claimed that she had told Winai that the girl was his daughter, but the man had refused to accept that and so she had found another person to sign the birth certificate.

This case was brought to the Thai authority's attention after a complaint was filed with the Dhamrongtham Centre over alleged child abuse. Source: The Nation News

This sign was across from the CM Women's Prison today, a must to notice: Thailand cares first about Country and then Religions then Monarchy and finally it's People; in that order.

As missionary's we feel safe and honored that Thailand has 'Freedom of Religion' in their Constitution, Prior Kings for generations have proclaimed this to our favor. Thank You for your Prayers.
