

## AHF July Newsletter – 2019

Abba House - Thailand - AH visited Youth For Christ here in Chiang Mai, Thailand - week long camp of Evangelism - they will take what they have learned here and walk the neighborhoods sharing Christ to all. Amen....the picture below setting down in front of me is Todd Heiniger and standing behind him is Joan his wife with their son JJ, new Volunteers at AH plus their Thai daughter Amee who will be staying with us for two years getting her associate degree in Tourism.

Abba House – Thailand – In 2004 our AH girls went to the local Thai Buddhist government high school, unknown to me they were required to bow down to Buddha twice a day in the court yard, our girls told me they did not like doing this and would I ask the school if we could opt-out and go to the library, a few others went with us and this group picture is the result of ‘faithfulness’ and a few teachers working alongside of us and years later down the road we now have this size of club. Also because the government high schools are now busing students to the local Buddha temples we can asked if the Christian students could come to our Abba House Church building during club day. So much more will come next time. Thank you everyone that donated towards this building. To God be the Glory – Amen.

**Christian Drug Rehab for adult men (this one is not a prison).**

**Abba House music director Francis Bik has trained several of our students to take over our worship time every Sunday morning "A True Blessing".**

**GOD BLESS AS WE SERVE THE KING OF GLORY TOGETHER - DAVID AND JOYCE MOORE THAILAND**
