

AHF March Newsletter: Greeting to Friends and Partners

Please know we are in the "End Times" ; The Great Commission has never been as critical as right now. Eternity is real, tell everyone you know that life after death is real so is heaven and hell. Jesus loves them, He died on the Cross for them, and they can see our world is changing, it's so much easier now. AH just approved our next youth team to come May 15th still waiting for conformation. Rest at peace that AH Chiang Mai, Thailand is NOT on anyone's danger list to the Corona Virus (we are to warm). Teams are still scheduled to come learn evangelism from us, however we are still putting out a 'Warning' notice that our main outreaches are government institutions and they might lock down on us without notice but NOT as yet, we must be flexible, people are waiting at the bus & train stations, airports, hospitals, they have the time to listen now.

**You'll be the senders and we will be the goers.
Needs Prayer as always!**

Also know that AHF - Thailand is available to be a shelter for any missionary now misplaced for any reason.

Abba House - Thailand - 2020 AH Church Group
Picture

Teen boy detention Prison had ten water baptisms with certification keepsake cards. The Bali Indonesia team had a powerful 'drama skit' just prior to the service (drama theme) four of the team tried to convince someone to accept Christ but she kept refusing, at their last try we heard on the speaker a car crash and the candidate they witnessed to is now dead and they brought her onto the stage wrapped in a sheet, all that tried to convince her cried over her body. A very moving drama for sure, three inmates were added to our list to baptize today. Effective

and touching. God is well pleased ♥ And as always we handed out Bibles to all present in need of one. Amen

YWAM Maui team teaches exercise, crafts, and games - English - pictures yet to come will be them at the teen girls drug detention center prison as well as the teen boys later on in the week. Exciting being a platform for them to put what they've learn from the books into action on the field. Needs Prayer as always; Amen
