

AHF April Newsletter: Greeting to Friends and Partners

Abba House - Thailand - A lot has changed since our last newsletter as you well know the man made virus found in China resulting in this global apocalyptic crisis, has lead us into this following statement. Abba House Missionaries - David and I went into the field months after the 2001 World Trade Centers, then survived the 2004 Tsunami that killed 300k - 2008 Bank Failure - now the 2020 World & USA National Emergency - We will continue to carry on with the 'Great Commission' Jesus told us to do, we will occupy until He comes. The storm of life will come and go but we will endure as will you our partners, most of which were with us from the very beginning and know what we're talking about. God Bless Christians around the world with Healing and Peace. Note: He cares more how we will react to these situations than all the many different concerns we have.

We never got a chance to send out activities of our last youth team of the 2020 high season - so here it is.

Orlando YWAM team arrived and shared in Church and on our Sat. night Christian Radio program broadcasting from a Buddhist station PTL

Orlando YWAM team and AH staff with other volunteers at our monthly Chiang Mai Adult men's Prison of 7,300 - preaching sermons, handing out Bibles, praying with all that say 'yes' remember me and pray. Several with 25 yrs for drugs and remember AH freely offer's to take their sons and daughters full time with education and chapel. (Enrollment first half of May annually).

Adult Rehab - Several reasons why teen's and adult's wind up addicted, the main ones is due to abandonment, run away, sex slavery becoming homeless and hungry will drive them into the arms of a drug/sex trafficker to get a bowl of rice and a box to sleep on in the alleyways. AH is always on the lookout to find these poor souls and tell them how to receive Jesus the God of Hope, give them a Bible, they need to come to these shelters first and get off these drugs before our program will do them any good. All these types of places know how to contact us. Thanks to our partners we are there for them 'giving God all the Glory" Amen.

THE KING OF GLORY TOGETHER – DAVID AND JOYCE MOORE
